

### Design features:

- Rugged one-piece molded fiberglass construction
- Removable aluminum front threshold simplifies washer or water heater placement
- Center drain design for direct placement over 2" sanitary DWV line
- Remains stationary, can be easily secured to floor (hardware included)
- Includes drain assembly for 2" ABS, PVC or iron pipe
- Easy to install and clean
- Mildew-resistant, colorfast semi-gloss white finish

### Code Accepted

Fiberglass DURAPAN water heater pans meet or exceed performance requirements:

- American Society of Testing and Materials (ASTM)— D 635, E 84 and E 162
- IAPMO-IGC 200-2004
- ASTM E A112.18.2 – Drain
- Complies to applicable sections of ANSI Z124.1.2

### Specifications

Model No	Drain Location	Overall	Inside	UPC
99	Centered	30"L x 32"W x 2-1/2"H	28"L x 29"W	6 71031 00281 5

**General:** Furnish and install as shown on plans, DURAPAN™ Washer and Water Heater Pan Model 99, as manufactured by E.L. Mustee & Sons, Inc. One-piece compression molded fiberglass, using matched metal molds under extreme heat and pressure. Shoulder will be no less than 2-1/2" high. Removable aluminum threshold with water tight seal secured by stainless steel screws. May be secured to sub-floor, mounting hardware provided. Shall include IAPMO® Listed drain assembly for connection to 2" iron, PVC or ABS (Schedule 40) sanitary waste pipe. Shall meet IAPMO-IGC 200-2004. Color: White.
